Eddy Homes has created new models that can accommodate all home buyers from empty nesters to large families. The open floor plans are perfect for entertaining with spacious great rooms, gourmet eat-in kitchens, mudrooms, huge walk-in closets, additional storage space and more! Each model is designed specifically for functionality of the targeted home buyer. With large lots and beautiful backyards, what sounds better than maintenance-free living? This community features a Home Owners Association responsible for yard maintenance, grass cutting, snow removal, and more!
